

A lecture on “Scope of Pharmacy in India and Abroad” was delivered by Dr. Surendra Kumar, Research Professor, College of Pharmacy, Gachon University of Medicine and Science, Korea, at the Faculty of Pharmacy, Babu Banarasi Das Northern India Institute of Technology, Lucknow, on Oct.25, 2025. He discussed expanding opportunities in pharmacy, including research, drug development, quality control, and academia. Dr. Kumar highlighted the growing importance of pharmacists in India and worldwide, stressing the need for professional expertise, research skills, higher education, and global experience. He encouraged students to stay updated with advances in pharmaceutical sciences and explore international career opportunities.

.

More than 120 students of B. Pharm and M. Pharm. Final year attended the lecture.
